Dear Parent/Guardian:

I am a participant this school year in an assessment for Waldorf Teacher Certification. One of the primary purposes of this assessment is to enhance my ability to understand aspects of Waldorf Education. This will help me further understand how I can best serve the learning process for all the students in my class.

This project can require short videos of my teaching, photos of my work and the children's work in response to my lessons. Copies of this work is submitted to a secure student portfolio system of Rudolf Steiner College. The portfolio system is password protected and my presentations are only seen by my professors and my cohort group.

No student's name will be on archived/submitted materials. All materials are kept confidential. The form below will be used to document your permission for these activities.

Sincerely,
